About The Briscoe Western Art Museum:

The Briscoe Western Art Museum, named in honor of the late Texas Governor, Dolph Briscoe, Jr. and his wife, Janey Slaughter Briscoe, preserves and presents the art, history, and culture of the American West through engaging exhibitions, educational programs, and public events reflective of the region's rich traditions and shared heritage. Located along the San Antonio River Walk, its campus is inclusive of the restored historic 1930s former San Antonio Public Library building which now serves as the Museum space with nine galleries on three levels; the three-story Jack Guenther Pavilion used for event rentals and programs; and the outdoor McNutt Sculpture Garden.
