

INHERITANCE

Intriguing origins, family secrets, deception....

Ever wonder if the stories you were told growing up were wrong or slightly skewed? Or have your sense of self shaken up by discovering a family secret?

Join us for a discussion of the New York Times bestselling memoir by Dani Shapiro. We'll mull over the implications of unsettling DNA test results. Share and bare your own genetic detective narrative.

Tuesday, 27 Aug, 6:00 PM

**Briscoe Western Art Museum -
Kampmann Library Portal**
