## Adult Tours

### Adult Tours

The history, culture, and lived experiences of the people of Texas provide an opportunity for you to learn the stories of the West through conversational and interactive tours.

From tours that highlight modern and contemporary Western art to exquisitely crafted artifacts and the architecture of the Museum, you can enjoy an in-depth look at works that illuminate the Western experience.

We welcome groups that seek a self-guided experience. Please schedule your visit with the Education & Programs Department to avoid congestion in the galleries. When scheduled in advance, special rates are available for groups of 10 or more.
